BISMARCK AIRPORT RECORDS BEST YEAR EVER!

(Bismarck, ND)- The final passenger boarding numbers for 2010 are in and they are through the roof! Airport staff is ecstatic with the new milestone and are hosting a party to commemorate!

Bismarck Airport invites the public to help celebrate this event on Wednesday, January 12, 2011. The celebration is planned from 10 am until 2 pm in the main airport terminal. Refreshments will be served and a celebratory cake cutting will take place at 1:00 pm.

“A big thank you goes out to everyone who traveled through the Bismarck Airport in 2010,” said Haug. “We simply couldn’t have done this without your support and we look forward to continuing to serve your travel needs.” Haug further mentioned that increases in passenger boarding numbers go a long way when working with airlines to improve future air service options.

The public is asked to park in the short term parking lot as the Airport will validate parking. Opportunities to register for prize drawings including luggage and free parking will also be available during this time.
