FRONTIER AIRLINES ADDING FOUR NEW ROUTES IN LAS VEGAS

Southern Nevada residents will have more non-stop options

LAS VEGAS – Frontier Airlines is adding additional service at Las Vegas McCarran Airport. Beginning in June Frontier will introduce new routes with service to Bismarck, N.D., Indianapolis; Sioux Falls, S.D. and Washington. These new markets will join about 20 cities the carrier already serves from Las Vegas. This move allows Las Vegas travelers to take advantage of Frontier’s Low Fares Done Right service to more cities than ever before. Introductory fares on these markets will be as low as \$39*.

“Over the course of the past three years Frontier Airlines has had great success with its service to Las Vegas,” said Rosemary Vassiliadis, Clark County director of aviation. “With these additional flights starting this summer, Frontier will have more than tripled its capacity into McCarran International Airport.”

“We are thrilled that our partners at Frontier Airlines continue to expand service to Las Vegas,” said Cathy Tull, senior vice president of marketing for the Las Vegas Convention and Visitor’s Authority. “Frontier has continuously added convenient domestic routes to Las Vegas, helping the destination set a new visitation record of more than 42.9 million visitors last year. Every new seat provides opportunity for continued growth.”

“Our network continues to expand in markets where people want to fly,” said Josh Flyr, vice president – network planning. “Customer traveling in Las Vegas will now have a new low-cost option, and with The WORKS and The PERKS, we offer the best value in U.S. air travel.”

Customers can take advantage of Frontier’s bundled choices, The WORKS or The PERKSsm, containing all of Frontier’s most popular options for one low price. The WORKS is available at FlyFrontier.com at time of initial booking and includes one carry-on bag, one checked bag, best available seat including Stretch and Exit Row options, full refundability when canceled at least 24 hours prior to scheduled departure, no change fees and priority boarding. The PERKS is available after booking and has the same options as The WORKS except the ability to change flights and refundability.

Below is a summary of the new service.
